SUMMER HOLIDAY HOMEWORK

Session: 2022-23

GRADE - VII

Dear Parents,

Holidays are the time when you get a chance to connect with your child in many ways. As you are your child's first and most important teacher, you can encourage your child's love for learning by participating in educational activities at home. Working together on the activities will help your child to build confidence, learn to reason and develop skills necessary for her education. So, utilize this golden period of family reunion and strengthen your family ties with your kids and relatives.

Gear up and utilize your time in the best possible manner.

Dear Children,

Vacation is a time when you connect with your friends, family members and relatives. So, all of you — **“FIX A GOAL AND STRIVE HARD EACH DAY TO ACHIEVE IT!”**

Here are a few tips for you to follow:

1. It is mandatory to do the holiday homework of all the subjects.
2. The child will be assessed for the neat handwriting, creativity and originality.
3. There is no need of using colored/designer sheets; you have to work in **separate notebooks**.
4. All the students are required to revise the syllabus covered so far of all the subjects thoroughly.
5. Parents can act as facilitators at home but the work should be done independently by the child in his/her own handwriting.
6. Scrap book is used for pasting with their respective Holiday Homework.

I wish you have a great summer vacation full of joy and sunshine. Have a great time and don't forget that I will be waiting for you with a smile!

Feel free to reach out to me for any doubts/queries. Regards
